PICTURE DAY – Our Picture Day went really smoothly thanks to the teams who sent their volunteers. I think there were only 3 or 4 that didn't show. Pictures should be delivered in 3-4 weeks. When I know, I'll let you know. I still do not know when make up day is (I didn't run pictures this year).

LOST & FOUND – Picnic Lost & Found calls should come to me. We had a pair of cleats turned in. Each field has an orange "Lost & Found" bucket. You can also email LostandFound@AYSO55.org to report something lost or found.

YEARBOOK COLLAGES – Start working on your Team's collage (if you want to, they're not required). Each team will, once again, be able to submit a collage for the yearbook. The size is 6" x 8" landscape and can be submitted electronically (.jpg file) on disk or on paper which we will then scan. The photos used should be in color and include everyone on the team. No names, arrows, etc. which would identify individual players, though, due to safety concerns. Info was in your team's mailbox on 9/8.

SPONSORS – Turn in your paperwork now to get your sponsor into the yearbook as well as to get your Team their \$50 party rebate. Checks typically go out the end of Oct or early Nov. I'll keep you posted.

LAMPOST PIZZA COUPONS – I have received the balance of the Pizza coupons from Lampost Pizza (Goldenwest & Warner). Please contact me if you have still not received yours.

MCDONALD'S TEAM PARTY COUPONS – McDonald's is offering a discount to teams, flyers are in your mailbox today.

SAFETY - If you have an injury on your team (at a game or practice), you need to contact the Safety Director (info/process listed in your Coach's Handbook) and also your Division Coordinator. The Region needs to be aware of all injuries. First Aid kits with emergency numbers are located in the bins at each field on game days. Familiarize yourself with their location.

PARENT/PLAYER BEHAVIOR - If you have an "incident" during one of your games or practices, contact your Division Coordinator or call the Region Hotline. This can include property damage, out of control parents or Coaches, or anything else. Even if it all was settled at that time, the Region needs to be advised of the situation. We don't know unless you tell us!

PETS – It is against California State law to have pets on school district property. I spend more time on Saturdays sending home dogs than anything else. Please tell your parents to leave their pets at home.

MAILBOXES - Mailboxes are available Mon-Fri at my house if you forget to pick up your mail on a Saturday. Come by anytime after 8:30am until dark. They are on a table on the porch, no need to call ahead. The weekly Newsletters are uploaded to the website (AYSO55.org) as well under "Team Parents" when I remember to send them to the webmaster. There's a map to my house on the last page of the Region Handbook.

COACH SHIRTS – Last call for Coach shirts. There are no more L or XL, lots of S and M, and a few XXL. I have them, call or email me and I'll put it in your Team's mailbox.
